Type of Fund

Please choose whether the Agency Fund will be a permanent Endowed Fund, Quasi-Endowed Fund or a Non-Endowed Fund.

- Endowed** _____ (please initial)

An Endowed Agency Fund is a **permanent** Fund. Its assets are held irrevocably by the Foundation and are managed to accomplish the identified charitable purposes. Endowed Agency Funds are designed to be preserved in perpetuity, so only the annual spendable income is available for distribution. Choose this option to establish a permanent endowment to provide continuing support for the charitable purposes of the Agency Fund. *The decision to endow is irrevocable and donors should discuss with FFTC staff before selecting this option.*

- Quasi-Endowed**

A Quasi-Endowed Agency Fund is treated like an Endowed Agency Fund, such that an annual spendable income is calculated and available for distribution. However, unlike an Endowed Agency Fund, the entire balance may be made available for distribution. Choose this option to provide continuing support for the charitable purposes of the Agency but maintaining the flexibility for a Representative to recommend distributing an amount in excess of the spendable income (including, possibly, the entire balance) at a later time.

- Non-Endowed**

A Non-Endowed Agency Fund is fully available for distribution at any time. The nature of the investment instruments may vary depending on the balance and anticipated time frame for distributions. Choose this option to maintain maximum flexibility in terms of distributions amounts.

Space intentionally left blank.

Spendable Amount

The following pertains to Endowed Funds or Quasi-Endowed Funds only. Please read if you are establishing an Endowed Fund or Quasi-Endowed Fund.

A. Determination of Annual Spendable Amount.

Under applicable law, with respect to Endowed Funds, the Foundation's Board of Directors establishes the annual spendable income rate that is used to calculate the amount available for distribution from the Agency Fund each year (the "Spendable Amount"). The Spendable Amount is determined by multiplying the annual spendable income rate by the average daily value of the Agency Fund for the prior three calendar years or since fund inception (for funds less than three years old). For the current annual spendable income rate, visit www.ffc.org/financials.

B. If Value of Fund Falls Below Historic Dollar Value.

Historic dollar value ("HDV") means the value of the Agency Fund at the time of the original contribution(s) to the Agency Fund plus the dollar value of any subsequent contributions to the Agency Fund (not including any investment earnings or losses). If the value falls below HDV, the determination of the Spendable Amount varies depending on the remaining value of the Agency Fund. If the value equals or exceeds 66% of HDV, the Spendable Amount currently is calculated as previously described. If the value falls below 66% of HDV, the Spendable Amount may be limited in accordance with the Foundation's applicable policies (as provided in the *Charitable Giving Guide*).

Under applicable law and the Foundation's spendable policy as outlined above, the Spendable Amount may be available for distribution even if the value of the Agency Fund falls below HDV. However, spending from an Agency Fund which has a value below HDV (e.g., in the case of a new Agency Fund or a down market cycle) may result in a longer time period to rebuild the value. The Foundation allows Donors the choice to preserve principal rather than follow the Foundation's spendable policy.

Unless initialed below, the Donor requests that the Foundation make available the Spendable Amount (in accordance with the Foundation's spendable policy) even if the value of the Agency Fund Falls below HDV.

_____ Preserve Principal. The Donor requests that the Foundation not allow distributions of any Spendable Amount if the value of the Agency Fund Falls below HDV.

C. Alternative Distribution Plan.

If the Agency wishes to specify a plan for making distributions from the Agency Fund other than the Spendable Amount as described above, please discuss the plan with Foundation staff and provide an outline of it as an addendum to this Agreement.

Investments

The Foundation is pleased to offer a variety of investment pools for Agency Funds. All investment pools are reviewed by the Foundation's Investment Committee.

FFTC offers investment options that span the risk-return spectrum from conservative allocations to more growth oriented investment pools. For investment pool descriptions and information on performance, visit www.ffc.org/pools.

For certain supporting organizations, some restrictions may apply. Please inquire for more information.

Please complete and sign Addendum I – Agency Fund Investment Recommendation Form – to select an investment pool. If you do not select an investment pool, the Foundation will place Non-Endowed Funds into the Liquid Reserves Pool and Endowed and Quasi-Endowed Funds into the Diversified Long-Term Growth Pool.
