

INCOME & GROWTH POOL

Foundation For The Carolinas offers diverse investment options to grow assets for maximum philanthropic impact

- ▶ Less focused on capital appreciation and more on dividend and interest income generation
- ▶ Follows a balanced income approach, utilizing fixed income securities and a broadly diversified portfolio of stocks, which can include non-U.S. stocks.

Target Allocations

Annual Performance vs. Benchmark*

Returns* (as of March 31, 2019)

*Net of investment manager fees. Benchmarks available upon request.

Asset Strategies

Individual fund earnings may not reconcile to Foundation For The Carolinas' reported performance as a result of contributions, distributions and rebalancing in the fund. A successful investment program includes consideration of your grantmaking intentions and timeframe for investments. Past performance is not indicative of future results.

Expense Ratio* 0.54%

*Includes weighted Investment Manager and other investment-related expenses.
